

DECLARATION OF ENERGY PERFORMANCE

Electric heat pump water heater, type Air-Water:

Commercial Trade Name	Capacity	Commercial code	Model Name
ATLANTIC	200L	232516	HS-VS200CPSI

The manufacturer: C.I.C.E., Compagnie Industrielle des Chauffe-Eau, 255 rue de l'Aéroparc, F-90150 FONTAINE **declares** that the above products are tested in conformity with the performance requirements of the CdC LCIE 103-15/C based on the European Standard : EN 16147 : 2017. The performance results are in the following table :

Model Name	Profile	COP (AA15)	COP (AA20)
HS-VS200CPSI	L	2,403	2,58

(AA15) Test conditions

Outdoor air: 15°C (relative humidity: 71%)
Ambient temperature of the storage tank: 15°C
Cold water: 10°C
Hot water: 53°C

(AA20) Test conditions

Outdoor air: 20°C (relative humidity: 59%)
Ambient temperature of the storage tank: 20°C
Cold water: 10°C
Hot water: 53°C

The test documents and technical file held by C.I.C.E. (Fontaine)
