DECLARATION OF CONFORMITY
FOR ACV DHW-TANKS

(Smart – Smart E – Smart ME – Comfort – Comfort E – Comfort ME – Hri – HrS)

ACV International n.v.
Oude Vijverweg 6
B- 1653 Dworp

Dworp, Belgium, January 31 th 2019

We declare that all the Domestic Hot Water tanks are:

- Made by ACV Manufacturing in Belgium
- The inner Tank (DHW) is made in Stainless Steel
- We are not allowed to follow the directive 97/23 CE equipment under pressure, due to exclusion of appendix 1.
 - Regulation of temperature safety thermostat $\leq 110^{\circ}\text{C}$
 - Value $\text{PS} \times \text{V} = 10000$

Declares that all the Domestic Hot Water tanks are submitted in our factory to a hydraulic test at 1,3 times the maximum working pressure conform to pr EN 12897:2016

These tanks are produced conform the procedures mentioned in our Quality System (ISO 9001:2015)
